

PERSONAL HISTORY INFORMATION

PLEASE STATE YOUR PERSONAL HISTORY, YOUR VIEWS, CONCERNS, AND WHAT YOU WISH TO ACCOMPLISH AS A TRIBAL COUNCIL MEMBER.

I am Amelia Flores and am running to be re-elected as the Colorado River Indian Tribes (CRIT) Chairman. I have lived on our reservation all my life and have three grown children, ten grandchildren and five great-grandchildren. My degree is in Education and a Master's in Linguistics. Coming from a third generation of leaders, I have carried that legacy throughout my career, locally nationally and globally for the betterment of my people and reservation. I have a strong belief in honesty, integrity and ethics, and these values have guided me through my first term as the first woman elected as chairperson.

I have dedicated a majority of my career to working and improving life for the CRIT membership and will continue to work for the greater good, and work tirelessly to find effective solutions to all the challenges facing CRIT. If elected, I will make it a priority to be accessible, transparent, and attentive to the needs of the tribal membership as always.

I have an open mind and deal with the facts (not hearsay), listen to both sides of the story to make sound decisions. Have demonstrated my ability to work under pressure and stayed focused on the issues that face our greatest assets, our water, land and tribal government today. I will continue to fight to protect our sovereignty for future generations.

I am ready to roll up my sleeves to continue to work for you and will be a voice for all tribal members. And, will carry on being a role model to all the women and girls. I appreciate your vote on December 7th. "Your Voice, Our Future; You Matter!"

God Bless, Amelia Flores
