

PLEASE STATE YOUR PERSONAL HISTORY, YOUR VIEWS, CONCERNS, AND ENROLLMENT
WHAT YOU WISH TO ACCOMPLISH AS A TRIBAL COUNCIL MEMBER. JESSICA MARTIN

My name is Edward Kenneth Yova Jr., I am
of the Tewa-Hopi and Dine' tribes and one
of the original members of the Colonist who
came here in 1945.

I attended school at Poston Elementary
School, Parker High School, Arizona Western
College, Phoenix College graduating from
Grand Canyon University (College) and attended
Arizona State University in the Masters Degree
Program.

I'm a Army Veteran serving in the
Vietnam War and other areas that required
my service.

I'm retired from the Indian Health Service
serving at Phoenix Indian Medical Center and
the Parker Indian Hospital. After retiring
from the Indian Health Service I was elected
to serve on the Tribal Council.

My concerns are: 1) Close the divide between Tribal
membership and Tribal government and better interaction
2) Audit the Government and bench audit positions.
