

Kamathu My name is Johnson "JD" Fisher and I'm running for the Chairman of the Colorado River Indian Tribes. My maternal grandparents are the Late Fordner Van Fleet and Late Gertrude Booth Van Fleet and my fraternal grandparents are Jesse Fisher and Victoria Romo. Rena Van Fleet and Rueben Fisher are my parents. My Wife is Robin Fisher and I have a son; Octavius Fisher. It has been my honor and privilege to serve our nation and its people for the last 12 years. During my time in office, I contributed to positive, productive change, and addressed all issues regard less of the outcome, trying to make things better for our CRIT People. However, I do not take full credit for this, because I believe it take all tribal Council to make positive changes. If elected, I plan to better the communication and participation between the Chairman's office, Tribal Council, and department directors. I would continue to advocate and support in placing qualified Tribal members in directors' positions and all other employment opportunities within our community. I would like to thank the CRIT Tribal membership, family & friends, and elders who I fully support in all their endeavors.
