

PERSONAL HISTORY INFORMATION

PLEASE STATE YOUR PERSONAL HISTORY, YOUR VIEWS, CONCERNS, AND WHAT YOU WISH TO ACCOMPLISH AS A TRIBAL COUNCIL MEMBER.

My name is Richard Evans and I was born and raised on this reservation - I have always felt blessed to have grown up here, and I hope my grand children have the opportunity to be raised here as well.

If I am elected to CRT Council my focus will be on three groups of people 1) Our children.

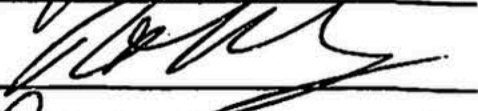

I will monitor the attendance of our children from Headstart to College. If there is a problem I will find solutions, whatever it takes to keep our children in school.

2) Our Women - I will prosecute to the full extent of the law anybody who is guilty of domestic violence will be in jail - 3) Our Elders - I promise

to include our elders in the community and will provide better care for them until

they die. This I promise.
