

constant stream of increased revenue for our Tribe. This will help secure CRIT's ability to take care of our own people in the event federal grants are not available to us. Our Enterprises/Departments have so much potential to be more financially successful but it needs attention now.

WHAT I WISH TO ACCOMPLISH:

My mission is to be a powerful and effective voice for the membership, and to be a devoted listener so that I may provide solutions to matters that produce the very best outcome for our people and our reservation. I hope to accomplish making a lasting positive impact for our future.

Thank you for your time. I wish you and your families health and joy.
